

## 10 Signs a Job is Ending

How do you know when the writing is on the wall? Do you know the signs your job may be coming to an end? Do not ignore the signs.

1. When you stop communicating.
2. When the parents start to take on responsibilities that used to be yours.
3. When everything is an issue and you feel like you can't do anything right.
4. Your paycheck bounces or you don't get a raise.
5. When you start the day and wish it was already over.
6. When your employer avoids you.
7. When your employer asks you to return all credit cards etc. in an effort to use only cash to better track expenses.
8. You stop having regular meetings.
9. Your employers start going back on promises that they made you.
10. The children have outgrown your level of expertise.
11. Mysterious phone calls or messages.
12. A general feeling of being left out of the loop.

If you are seeing any of those signs in your job, it's a good bet that changes are coming.
